La calidez llega a Monopole de la mano de su colección en maderas y textiles. Piezas de diferentes medidas y acabados, que inspiran cualquier ambiente , confiriéndole un alto valor estético, con sus destonificados , coloreados y decapados.

La madera, material noble y atemporal, que combina a la perfección con cualquier otro acabado, aportando elegancia y cierto aire vintage.

Textil siempre nos aporta confort en su hogar.

Gran diversidad de colocaciones según sea el proyecto: desde un local de aire bohemio, una casa con tendencia rústica, una estancia de estilo palaciego, un apartamento con carácter nórdico...

Tonos neutros sin estridencias para coordinar con naturalidad. Grises, marrones, blancos y negros.

La madera, un clásico renovado, elegante y cálido con las ventajas que nos aporta el porcelánico.

Warmth is reflected on these two wood and textile series. Pieces with different sizes which inspire any type of ambient adding to it a high aesthetical value thanks to its detoned , pickled and coloured finishes

Wood: noble and timeless material which perfectly matches any other material in walls as well as on floors adding elegance and a trendy vintage touch.

Textile finish always grants coziness and comfort to your home

There are several tiling options to easily adapt to all kind of projects: a house on the country side, an urban loft, a Baroque stylish room...

Neutral tones : grey, white, white, black... no stridencies, to create natural spaces.

Wood, a renewed classic , elegant and warm with all the advantages that porcelrain tile add.

Тепло приходит в Monopole Ceramica из рук коллекций дерева и текстиля. Плитка разных форматов и дизайнов добавит жизни любому интерьеру, придавая ему высокую эстетическую ценность своими расцветками, графиками и потёртостями.

Дерево – материал благородный и неподвластный времени. Он может сочетаться с любым другим материалом как на полу, так и на стене, делая интерьер элегантным и по-винтажному изысканным.

Текстиль всегда принесет тепло и комфорт в Ваш дом.

Благодаря различным способам укладки, этот материал можно применять в любом проекте: будь то магазин с богемным изысканием; или дом как деревенском стиле, так и с дворцовым шиком; или квартира с северным характером...

Нейтральные расцветки без пронзительности, чтобы быть в гармонии с природой. Серые, коричневые, белые и черные.

Дерево, вечно актуальная классика, элегантное и теплое, и обладающее всеми преимуществами керамогранита.
