The background of the entire image is a close-up of a marble surface, showing intricate veining in shades of beige, cream, and light brown. A thick, dark brown diagonal line runs from the bottom-left corner towards the top-right, bisecting the image. The upper-left portion of the image is the lighter-colored marble, while the lower-right portion is a solid, dark brown-grey color.

The background of the entire image is a high-resolution, close-up photograph of a marble surface. The marble features a complex pattern of veins in shades of grey, white, and black. A sharp, diagonal line runs from the bottom-left corner towards the top-right, dividing the image into two distinct sections. The upper-left section contains the marble texture, while the lower-right section is a solid, uniform grey.

The background of the entire image is a light beige or cream color with a subtle, natural marble pattern. Several thin, dark grey or black veins run diagonally across the upper half of the image. A thick, dark grey diagonal line runs from the bottom left corner towards the top right, dividing the image into two main sections. The lower right section is a solid, uniform light beige color.

The background of the image is a high-resolution marble texture. The top-left portion features a light cream-colored marble with intricate, flowing veins of gold and brown. A sharp diagonal line runs from the bottom-left corner towards the top-right, separating this textured area from a solid, muted brown background that occupies the bottom-right portion of the image.

The background is a light beige color, split diagonally from the bottom-left to the top-right by a dark grey line. The upper-left portion of the image is covered with numerous small, irregular fragments of paper or tape in various shades of white, grey, and brown, creating a textured, collage-like effect.
